

School News

A hearty thank you to all the mothers who gave so generously of their time baking and working for our very successful Bake Sale. We realized a profit of \$167.00. The money is to be used for the Learning Center.

The Elementary School Glee Club will begin Monday, October 18. Rehearsals will be every Monday 4:30-5:30. The program is open to all children in all grades. Encourage your children to participate and sing for enjoyment.

Youth Club

Interested youth and adults are urged to attend a Youth Club planning meeting to be held on the Social Hall on Wednesday evening, October 20, at 7:30 p.m. There are currently 8 adults organizing and attending Youth Club functions. We must get more parental support, if the club is to continue!

50/50 Club Winner

Marion Rockett of Inkster, won the first 50/50 club drawing on October 10. The winning ticket was drawn by Fr. Whitley. Mrs. Rockett's share of the pot was \$1,310.00. Well it just so happens that Mrs. Rockett sold herself the winning ticket, thus entitling her to the seller's prize. Everyone is encouraged to participate, and to become a winner. You may pick up tickets in the Social Hall after weekend masses, or at the school or rectory anytime. Make your returns as soon as possible after any weekend mass, either in the collection or in the Social Hall, Rectory, or school.

The next drawing is set for November 14th at 12:30 p.m. in the Social Hall. Be there, and be a winner!

25th Anniversary Dinner-Dance

The dinner-dance will be held at the Fairlane Manor in Dearborn on SATURDAY, NOVEMBER 20.

JUBILEE SUNDAY

**Anniversary Mass at 2:00 P.M.
Reception in Social Hall following Mass
No 12:30 Mass this Sunday.**

Father Pettit Said It

A tip of the old hat to all of you this happy Sunday. Jubilation! A word of thanks to the Almighty too, for the many blessings He has dropped down upon us from the heavens over these 25 years. In fact that's what the celebration is all about — Thanking and praising the Lord's love and care and protection of this community since its inception. And surprisingly there are quite a number of you who are still among us from the days of the Melody (you'll excuse the expression) Theatre-Church days. From such beginnings we've come a long way. But let's not dwell on that item on this wholly joyous occasion. But how many of you remember the days of Father Bohr? He and a good many more have gone to their reward, and we owe them a debt of gratitude for the efforts they put forward to build our community. And how many others have come and gone through the years, each adding their own personality to St. Norbert's. Happily many of them still hold an affection for the parish and often share in our activities. So today while we number around a thousand families, there are twice that many who were once part of this community, and we thank them for their past achievements. Most of all to you the present families who now make up the faith community of St. Norbert's and we are helping to maintain the parish and grow in faith, my sincerest congratulations.

A big hug, too, to all the gals who turned out last Monday to help get the church in tip top shape for this weekend. Seventeen of our finest were on hand with rubber gloves, Murphy soap and coveralls a la Carol Burnett to scrub a dub the holy of holies into its sparkling best. Thanks gals. And even though I can't give all a proper hug, I can a la Jimmy Carter ...

But someone was a 'huggin' and a 'kissin' Marion Rockett last Sunday afternoon, when she went home with \$1,310.00 from the 50/50 Club. The first winner, and not a bad win either, of our monthly drawing. She was the big winner all right, but all of you won too, as the parish got its first paycheck. Many, many thanks to all of you who shared in the initial success of the 50/50 Club. If we can keep it growing, and everyone in on the act, maybe, just maybe, we'll solve a lot of our financial problems. Special thanks to Edward and Pat Juarez who took over the Club and did a whale of a job. They can use more administrative help and probably will be calling on some of you to help out in the distribution of tickets, collecting, etc. But the November tickets are available and make sure you get yours. Remember we are asking each family to take 10 per month. With that kind of distribution there's no reason we can't challenge the K of C's with their 12 thousand prizes. Right? Right!

All Souls Day is coming on and envelopes for the Purgatorial Society are available at the doors of the church. If you wish to remember your deceased family members and friends use the envelope and include their names and Masses will be offered each month for the following year in their behalf.

Each year we have honored the couples that celebrate a 25th, 30th, 40th, or 50th Wedding Anniversary during that particular year and we would very much like to do this in the coming year. So we are asking each couple that will be married for those significant numbers in 1977 to notify us in the next week or two. It is the hope of the Christian Service Commission that the celebration can be held in January or February. We need your name now. If your anniversary year is coming up in 77 let us know. All the couples celebrating their Silver and Golden Anniversary are presented with the Holy Father's personal blessing.

If you haven't taken your October "Catholic Update" do so this week. As you are aware each month a new topic is discussed and we might not call your attention to its arrival. So look for them at the doors of the Church. They are free of course and we urge you to take one and read it. Usually it is well worth your while.

And if you are reading this before the main event, see you at the Anniversary Mass ...

Next Sunday World Mission Sunday!

Next Sunday is MISSION SUNDAY, a day that we turn our thoughts to the concerns and problems of our missionaries and the people they serve all over the world.

World events have helped us to grow in awareness of our brothers and sisters in other lands. The drought and subsequent famine in the arid zones of Africa reminded us of the precious gift of water we possess.

The terrible struggle for independence that took place in the country of Angola, West Africa, reminded us of our treasured gift of liberty. The bloody war in Lebanon helped us appreciate the peace we enjoy.

The earthquake in Guatemala which took 50,000 lives, the typhoon that struck the people of Guam, and the terrible tidal waves in the southern Philippines that both took lives and destroyed homes in the thousands have served to remind us how good God has been to us.

Mission Sunday which is observed each year at this time enables us as members of the Society for the Propagation of the Faith to make a meaningful sacrifice for the poor of the world and for the spreading of the Gospel.

You can afford to be generous. The Society for the Propagation of the Faith will forward every bit of your gift directly and safely to the neediest of the poor of the world and will ask those who benefit from your love to pray each day for you and your intentions.

Who Was That Man???

Why did you do that? What does this mean? All are invited to the adult instruction classes which will begin October fifth at seven p.m., in the rectory to find out the answers. If you have not investigated the Catholic truths in a long time; or if you wish to join the Catholic Church, contact the rectory, 565-0993. Next meeting - 10-18-76 - 7 p.m.
